

Sun Way Egypt

EPC COMPANY

About us:

-Sun way Egypt is a leading company in the field of solar energy in Egypt and the first in the Upper Egypt region, providing renewable energy solutions from solar energy, implemented about 50 mega watt with many solutions, qualified from the New and Renewable Energy Authority with platinum certificate to establish solar Energy plants with a capacity exceeding 3 mega watts.

-Also registered in the indicative list of the Industry Modernization Center (Egypt-pv), where the company supplies, installs, maintains and operates solar energy systems connected to the grid and disconnected From the grid.

OUR VISION

With an eye on protecting the environment from the hazardous effects of using polluting non-renewable power sources and empowering customers against the rising costs of electricity and diesel, SunwayEgypt provides a clean and efficient transition to solar energy for residential, industrial, commercial and agriculture use, making use of Egypt's abundant year-round sunshine.

OUR MISSION

SunwayEgypt offers clean and cheap solar energy to homeowners, businesses, agriculture fields, schools, non-profit and government organizations by providing a seamless and hassle-free switch between solar energy and energy generated by burning fossil fuels like diesel, oil and natural gas.

OUR VALUES

Honesty

We are up front and open about our approach to solar energy. and strive to help our customers understand each step of the process

Reliability

Our solar energy arrays integrate the best-in-class technologies and are developed by experienced professionals that deliver projects on time

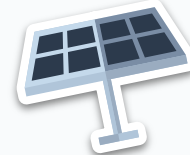

Integrity

We take pride in our business ethic and in green energy technologies. We work together with our customers each step of the way to realize optimal electricity production and to meet expectations.

Innovation

we continually enhance our Technology portfolio and Improve our service Executions through Education rigorous Product reviews And competitive Market assessments.

CERTIFICATE

New & Renewable Energy Authority
أمانة الطاقة المتجددة والمتجددة

وزارة الكهرباء والطاقة المتجددة
Ministry of Electricity and Renewable Energy

كود الشركة: ٠١٦

تشهد هيئة تنمية واستخدام الطاقة الجديدة والمتجددة

أن شركة / من وى ايجيبت للطاقة الشمسية سجل تجاري رقم (٤٨٢٢٣٥٧٨)

حاصلة على شهادة تأهيل "بلاطينية" لإنشاء محطات طاقة شمسية قدرة أكبر من (3) ميجا وات.

مدة التأهيل ثلاث سنوات سارية من ٩ / ٤ / ٢٠٢٢ إلى ٨ / ٤ / ٢٠٢٥

وهذه شهادة من الهيئة دون أدنى قيد أو شرط

الرئيس التنفيذي

دكتور مهندس / محمد مصطفى الخياط

"يحق للهيئة إلغاء أو تعميم الشهادة حال مخالفة أي من اشتراطات التأهيل والتي على أساسها تم منح هذه الشهادة"

SYSTEM

Project steps

Step 1

study and designing.

- studying client requirements
- studying the current operate situation.
- presenting a feasibility study.
- technical and financial proposal.
- project design work on specialized software (pv syst - Auto Cad - sketch up- Heliioscope).

Step 2

civil work

- soil study.
- ground leveling.
- Trenching.
- Equipment's and structure frames foundations

Step 3

mechanical work

- frame structure Erection.
- PV Panels installation

Step 4

electrical work

- PV Panels string and inverter Connection.
- inverters Connections.
- DC and Ac cables terminations.
- grounding system.
- tie to the grid

Step 5

operation and maintenance.

- operate the station according to the standards.
- free maintenance for two years.

OUR TEAM

the company includes specialists which have Constantly worked in The field of solar energy for over8 years, which have mainly engaged in the implementation of different Solar energy systems.

our team is made up of selected and qualified specialists united by Common professional experience in the field of engineering, technical, managerial, legal advices and of subsided finance Consultancy.

Project 1 (1MW)

- Developer : sun way Egypt
- EPC Contractor : sun way Egypt
- 1Mw
- EL Minya city (Mallawei)
- Solar pumping.
- Scope:
 - site survey
 - Supply components
 - Mobilization
 - Civil works
 - Testing and commissioning
 - After sales service
(free maintenance for 2 years)

Green pure (500kW)

- Developer : sun way Egypt
- EPC Contractor : sun way Egypt
- 500 kw
- Wade el natron city.
Solar pumping.
- Scope:
 - site survey
 - Supply components
 - Mobilization
 - Civil works
 - Testing and commissioning
 - After sales service
(free maintenance for 2 years)

EL NILE HOSPITAL

- Developer : sun way Egypt
- EPC Contractor : sun way Egypt
- El minya city.
- On grid.
- Scope:
 - site survey
 - Supply components
 - Mobilization
 - Civil works
 - Testing and commissioning
 - After sales service
(free maintenance for 2 years)

EL Qasr El Tebi Hspital

- Developer : sun way Egypt
- EPC Contractor : sun way Egypt
- El minya city (Samalout)
- On grid.
- Scope:
 - site survey
 - Supply components
 - Mobilization
 - Civil works
 - Testing and commissioning
 - After sales service
(free maintenance for 2 years)

El Ekhlas Farm (250 KW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 250 kw**
- Port said city.**
- On grid.**
- Scope:**
 - **site survey**
 - **Supply components**
 - **Mobilization**
 - **Civil works**
 - **Testing and commissioning**
 - **After sales service**
(free maintenance for 2 years)

Project 2 (2.5 MW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 2.5 MW**
- El minya city(Abo Qorqas)**
- Solar pumping.**
- Scope:**
 - **site survey**
 - **Supply components**
 - **Mobilization**
 - **Civil works**
 - **Testing and commissioning**
 - **After sales service**
(free maintenance for 2 years)

Project 3 (1.5MW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 1.5 MW**
- El Dakhla oasis.**
- Solar pumping.**
- Scope:**
 - site survey
 - Supply components
 - Mobilization
 - Civil works
 - Testing and commissioning
 - After sales service
(free maintenance for 2 years)

Project 4 (500 kW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 500 kw**
- Wade el natron city.**
- Solar pumping.**
- Scope:**
 - site survey
 - Supply components
 - Mobilization
 - Civil works
 - Testing and commissioning
 - After sales service
(free maintenance for 2 years)

Project 5 (150 KW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 150 kw.**
- Cairo-Alexandria Desert Road**
- On grid.**
- Scope:**
 - **site survey**
 - **Supply components**
 - **Mobilization**
 - **Civil works**
 - **Testing and commissioning**
 - **After sales service**
(free maintenance for 2 years)

Project 6 (1 MW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 1 MW**
- El minya city(Bani mazar)**
- On grid.**
- Scope:**
 - **site survey**
 - **Supply components**
 - **Mobilization**
 - **Civil works**
 - **Testing and commissioning**
 - **After sales service**
(free maintenance for 2 years)

Project 7 (2 MW)

- Developer : sun way Egypt**
- EPC Contractor : sun way Egypt**
- 2MW**
- El Minya(Samalout)**
- Solar pumping.**
- Scope:**
 - **site survey**
 - **Supply components**
 - **Mobilization**
 - **Civil works**
 - **Testing and commissioning**
 - **After sales service**
(free maintenance for 2 years)

- SunwayEgypt has implemented projects with various solar energy systems, With capacities of more than 50 megawatt until 2023.
- An integrated solar energy station project with a capacity of 3 megawatts was also implemented.
- Also founded in Minia, Egypt in 2014 by consultants, university professors from faculties of engineering, engineers with great experience, and technicians trained in installing and implementing the solar energy systems.
